READER, see to it that the ticket you vote on Tuesday includes all the names given under the head of "The Democratic Ticket," in the first column of the second page of the APPRAL.

CARTER HARRISON is very sanguine that the Democrats will carry Illinois by 5000 majority, and that he will be elected Governor. In 1880 the Republicans carried the State by 14,358 majority over all.

Ir every Democrat will make it a special duty to vote on Tuesday next, and vote the party ticket without a scratch, there can be no doubt of a Democratic victory. Every vote is necessary to success, and every vote should be cast for every Democratic nominee, national, State, Congressional and Legislative.

THE letter of our Nashville correspondent reviewing the State canvass will be read with pleasure by everyone who has watched the progress of the campaign. It is a careful review of the situation and its conclusion is irresistible that Bate will carry the State by a greatly increased majority over that by which he was elected

This is to certify that I have compared the above statement of the receipts and disherements in the State Treasurer's office for the quarter beginning July I. 1884, and ending October I. 1884, with the accounts in my own office as Comptroller, and I find the same to be correct; and I have also examined the statement rendered by the different depositories of the State, and find their respective statements agree with the amounts as set forth in the appended schedule; and I have also made actual count of all the cash on hand in the Treasurer's office, and I find the amount to be as reported in the above, and that said report is in every respect correct.

P. P. PICKARD, Comptroller.
